Archie started his real estate career with The Dunham Company when it was founded in 1977. He sold real estate for The Dunham Company for several years until he had the opportunity to open his own real estate firm in Sioux Falls.

After owning and operating his own company for many years, in 1997 Archie decided to go to work for a well known Sioux Falls real estate firm where he stayed for 10 years, until September 2007, when he was able to re-associate with The Dunham Company.

Archie manages The Dunham Company real estate office located in Elk Point where he and the staff specialize in new construction homes and lots sales in housing developments located in Elk Point, Wynstone (near McCook Lake), North Sioux City and Sioux City.

Archie has over 30 years of real estate sales and management experience with an excellent knowledge of the real estate market. Archie is committed to meeting your real estate needs with the highest standard of professionalism.
