605-339-9400

Bonnie joined The Dunham Company in 1994 with her main focus being the residential new construction division.

Bonnie presently manages the firm's land developments and commercial projects in Sioux Falls, Dakota Dunes, Elk Point, Yankton, and North Sioux City, as well as the housing programs in Dakota Dunes, Elk Point, North Sioux City, Wynstone and Sioux City. In addition, she is the consultant for the Northern Heights Development and Northern Heights Development II rent- to- own properties, which are tax credit projects located in Sioux Falls.

Bonnie is a graduate of South Dakota State University, and her previous experience includes 11 years in the banking industry.

Bonnie presently serves as Vice President of The Dunham Company and President of Dunham Homes, LLC. Her duties include working closely with lenders, engineers, real estate agents, contractors and city officials.
