605-330-9441

Deb Even joined The Dunham Company in December 2001. As a Residential Property Manager, she serves a key role in the company's Property Management Division.

Through efficient budgeting, proactive maintenance and timely communication, Deb assures that our property owners realize the maximum return on their real estate investment. Her effective customer service skills assure our tenants are treated with outstanding care.

Deb is a licensed Property Manager in the State of South Dakota and an active member of the Sioux Falls Multi-Housing Association, of which she served as President in 2007. She has lived and worked in Sioux Falls for over 20 years including 7 years in the credit card industry.

Contact Deb if you have an interest in our residential property management services or are looking for an apartment.
