Keith Nelson joined The Dunham Company in 1997 as the Commercial Accounting Manager for Dunham Property Management. In 1999 his responsibilities were expanded to include the management functions for the commercial properties. Keith assumed the role of General Manager in 2002, overseeing the functions of both commercial & residential property management, with an emphasis on the commercial property portfolio.

As General Manager, Keith assures that our property owners realize the maximum return on their real estate investment and offers our commercial & residential tenants outstanding customer service.

Keith is a licensed Property Manager and is active in the South Dakota Multi-Housing Association.
